

## 2017 ROSÉ

---

Welcome our inaugural McPrice Myers Rosé, a co-fermented blend of Grenache and Mourvèdre from the Highlands of Santa Barbara. This was produced on a whim when Mac, almost rhetorically asked, “Wanna make a Rosé this year?” on the last day of harvest. We had a lot of members asking for one, and who are we to deny?

### VINIFICATION

---

Saignée of Alta Mesa Mourvèdre. Grenache cold settled and fermented in stainless steel. Clairette Blanche and Grenache Blanc cold settled and fermented in neutral oak.
